

Employee Assistance Program

It is recognised that staff may, from time to time, experience problems of a personal or work-related nature which impact on their work performance, health or wellbeing. Amana Living has established an Employee Assistance Program (EAP) which provides free, confidential and professional assistance to employees and their immediate family members on a wide range of work and non-work-related issues.

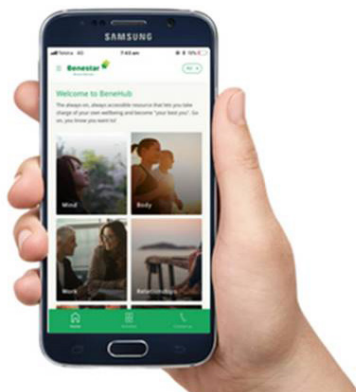

Staff have two options to obtain support, both are confidential:

1. Amana Living Chaplains- regardless of spiritual beliefs Amana Living Chaplains are skilled to provide you with support and guidance to assist your emotional needs.
2. Our EAP external provider is Benestar®. Benestar can be contacted on 1300 360 364 any time of the day to access a trained counsellor.

By contacting our Senior Chaplain on **0419 145 369** at any time (day or night), immediate support can be provided or you can contact your centre Chaplain.
